SUMMARY :

Motivated and enthusiastic Information Technology student currently pursuing a Higher Certificate in Information Technology at Richfield. Passionate about Front-End Web Development and continuously improving my skills through self-study and online learning.

I have practical knowledge of HTML and CSS and am currently expanding my skills in JavaScript, Git, GitHub, and React. I am seeking a Work Integrated Learning (WIL) opportunity where I can gain real-world experience, contribute to a professional team, and continue developing as a web developer.

PROJECTS

STUDENT PORTFOLIO WEBSITE

- Designed and developed a responsive website using HTML and CSS.
- Applied semantic HTML structure.
- Used CSS for layout, colours, typography, and responsive design.
- Improved the project beyond the original college assignment.

PERSONAL PRACTICE PROJECT

- Built practice webpages while completing an online Front-End Development course.
- Applied HTML and CSS concepts to create responsive web pages.
